Program Manager – Financial Empowerment

Description

Description

At e4c, we are dedicated to empowering individuals to achieve financial security and reduce poverty. We support vulnerable populations in Edmonton to achieve their personal goals and participate meaningfully in their community.

The Program Manager, Financial Empowerment, oversees the daily operations, evaluation, and development of our Financial Empowerment (FE) programs, including Financial Management HUB (FM HUB), Make Tax Time Pay (MTTP), Empower U, and our role as a Benefits Navigation Champion (BNC). This role involves leading program teams, ensuring program outcomes, and collaborating with external partners.

Responsibilities

Important Work You Will Do at e4c:

- **Program Management:** Oversee Financial Empowerment programs like Financial Management HUB, Make Tax Time Pay, and Empower U. Ensure compliance with regulatory and contractual requirements.
- **Financial Literacy Training:** Create and deliver training to empower individuals and help them achieve their goals.
- **Community Engagement:** Be a champion for e4c's programs within the Edmonton nonprofit community. Foster strategic partnerships to benefit program delivery and community engagement.
- **Support and Development:** Support volunteers and student placements. Participate in local and national communities of practice to end poverty.
- **Operational Excellence:** Manage program operations, develop annual plans and budgets, and prepare evaluation reports. Manage critical incidents and ensure proper guidelines are followed.

Qualifications

What You Bring to the Team:

- **Education:** Bachelor's degree in Human Services, Social Sciences, Finance, Business Administration, Public Policy, or a related field. Financial Management education or certification (e.g., CMA, CPA, CFP, QAFP, BA in Finance, MBA). Standard First Aid and CPR. Ability to pass Police Information Check with Vulnerable Sector and Intervention Record Check.
- **Experience:** 5+ years of leadership in human services working with high-risk, marginalized populations. 3+ years in financial management/administration for low-income populations. Specialized knowledge in front-line services delivery, social housing, and AISH. Proven ability in strengths-based, trauma-informed, harm-reduction, and solution-focused practices. Experience in crisis de-escalation and managing complex scenarios. Relationship-based leadership approach and
