Site Manager, Transitional Housing

Description

e4c's supportive housing programs provide housing for people in the middle of life transitions, looking for stability, recovery, and a better life. In your role you serve people who, due to histories of trauma and related mental illness and addictions, need enhanced levels of housing support.

The Site Manager position reports to the Program Manager, and provides key support to the Life Skills team, Wellness Manager, Crisis Intervention Team, and Casual Pool to ensure the program is running in a way that meets both residents' specific needs and agency/funder requirements.

e4c supportive housing programs operates on the cycle of the day, drawing inspiration from the recovery motto of "one day at a time". The model provides wrap around team staffing that includes clinical supports with a community-based approach, of recovery and sustained wellness of the resident. The Site Manager works along side of the daytime shift and is responsible for overseeing day-to-day program operations and maintaining the vision and practice standards for all staff in the house. The focus of the Life Skills team is on accomplishing tasks, including modelling what it looks like to have meaningful daily activity and learning how to do basic skills that help with daily functioning.
